**Coming from the North**, take I65 south to exit 74B, Brentwood/Old Hickory Boulevard. At the top of the ramp you want to be in the far left lane. Merge into the turning lane to go left on Franklin Road (the two left lanes both allow you to turn left). You will go through the traffic light at Chadwick, and then immediately get into the left lane and make another left onto Executive Center Drive (almost directly across the street from Fresh Market on your right). Drive one block past the row of retail shops on Executive Center Drive and turn left when the street ends. Turn left again just behind the shops. You will see our building to your left marked 7000 over the front entrance. LHH is in Suite 250.

**Coming from the South**, take I-65 north to exit 74B. The ramp loops around and you will want to get into one of the two left turning lanes as you approach the intersection at Franklin Road.
